LINN COUNTY YOUTH FAIR

General Rules and Regulations

The Linn County Youth Fair has been established for everyone's benefit and enjoyment. By following the rules set forth by the Fair Board, we are able to have a successful county fair!

- **ANY USE OF ALCOHOL, TOBACCO, VAPE DEVICES**, etc during fair events, on property or in buildings, is prohibited. Violators will be asked to remove all their exhibits and to leave the fairgrounds. Violators will also forfeit the privilege of participating in the premium sale and all individual ribbon premium money will be withheld.
- **DRESS Code**: Fair Exhibitors are required to wear the current year's Linn County Youth Fair Exhibitors shirt while: submitting exhibits on Exhibit night, participating in fair events such as shows, while participating in the Special Awards Night, and during the Premium Sale at the Linn County Fair, unless a previous dress code exists for their event. Exhibitors must represent a wholesome and appropriate image.
- **Language**: 4-H events are family events, language used by participants, parents, spectators, etc. should always be appropriate for the family and youth setting. Foul language, cursing, rude/crude remarks are not acceptable and will not be tolerated.
- **Music**: During any shows or scheduled events, music in the barns or surrounding areas is prohibited. In non-show times, music played needs to be wholesome to the event. Failure to comply after one (1) warning may result in disqualification from shows and premium sale.
- **Vandalism**: Vandalism of any sort, whether to building exhibits or property of other exhibitors (livestock, supplies, etc.) will not be tolerated. Action will be taken on participant(s) involved by way of forfeit of premium money, giving up of sale privileges and not being allowed to exhibit the next year. Parents could be held responsible for their children's actions.
- **Horseplay**: While attending or participating in fair programs/shows/etc., behavior of youth, as well as adults, should be representative of 4-H and FFA standards. Repeated warnings of misbehavior may result in disqualification or being asked to leave the premises.
- **Clean Up**: Each 4-H club or FFA chapter is to furnish workers (youth and adult) at the beginning clean-up and the clean up following the fair. These workers will need to bring hoses, brooms, dust pans, shovels, rags, buckets, hammers, nails and other necessary equipment to prepare the fairgrounds for a week of activities. Livestock pens will be chosen following the completion of the first day clean up. At the conclusion of the fair, there will be a final clean-up event where Premium Sale premiums shall be paid at the conclusion.
- **4-H and FFA Entries**: Entries and events held during the fair are limited to boys and girls enrolled in 4-H clubs in Linn County, enrolled in a FFA chapter in Linn County or live in Linn County and are enrolled in a FFA chapter in a surrounding county.
 - ❖ Exhibitors **are not permitted** to show the same breed in both the 4-H and FFA divisions. For example, if an exhibitor shows Chester White hogs as a 4-H member, he/she cannot show Chester White hogs as a FFA member or if an exhibitor shows market steers as FFA he/she cannot show market steers as 4-H. For those who have an affiliation of 4-H in one county and FFA in another they can only show their project category in one county or the other.
- **Clover Kid Entries**: Clover Kid members (those under the age of 8 on January 1 and currently enrolled as a Clover Kid) may exhibit up to three (3) non-livestock entries, but are not eligible for premium money or State Fair selection.
- **Judging**: All classes in the Linn County Fair are to be judged according to the Danish System. Each entry will be classified: BLUE, RED, WHITE or UNCLASSIFIED.
 - Point value is assigned to the ribbons in each class. The value of the point will be determined by the Fair Board on the basis of the total money available for premiums.

- To be eligible to show and/or exhibit and receive premium money, Linn County 4-H members must be actively involved in their projects, and viewed as a “member in good standing”.

- **Livestock Entries:** Livestock entries limits are set for species and can be found on said species rules pages. Species with no limits will specifically be stated in the premium list. No more than two cash awards will be paid to any livestock exhibitor in any one class. Special rules and regulations are stated in the premium lists which are to apply to a particular division.
- **Building Exhibits:** Achievement Day exhibits (Building Exhibits) by any one 4-H club member or FFA chapter member are **limited to three per class**.
 - All Building Exhibits will be pre-entered in the Fair Entry program (<https://www.fairentry.com>). Exhibit tags will then be printed and available for pick up on the fairgrounds during Clean Up Day or the eve of Exhibit Judging.
 - All exhibits must be made by the 4-H member in a 4-H project in which he or she is currently enrolled. FFA entries must be part of their current FFA program.

Ten Commandments of Showing

by Dr. Clyde D Lane, Jr., Extension Specialist at the University of Tennessee

1. Thou shall NOT feed, train, and care for the animal...for you are trying to teach children responsibility.
2. Thou shall forgive a child for making mistakes in the showring...for you have made mistakes too.
3. Thou shall NOT get mad when the child forgets items in the showbox...for one day you might forget the whole showbox.
4. Thou shall help the show management. They are doing a good job at a job you would not want to do.
5. Thou shall see that your child is on time for all show activities, for you would not want to wait on another.
6. Thou shall be sure that your child has the animals entered and the registration papers in order at the designated time.
7. Thou shall teach the child that winning a blue ribbon is a desirable goal, but making friends along the way is a much more worthy goal.
8. Thou shall NOT complain about the judge, for it is his opinion that has been sought that day.
9. Thou shall remember that livestock projects are teaching projects...not necessarily money-making projects.
10. Thou shall remember that the livestock project is a family project that should be enjoyed and supported by the entire family.

All persons on or near the firing line are required to have eye protection, including coaches, range personnel, and shooters.
 - b. **Ear Protection:** In any event where noise is a recognized hazard to future hearing (i.e. if it goes "bang") then hearing protection is required of all persons on or near the ranges. Ear plugs or head style ear muffs may be worn at the discretion of the shooter, range officer or coach; but proper hearing protection is required. Audio headphones or ear buds –even if not plugged in – are not acceptable hearing protection. Regardless of condition, muzzles may not be pointed toward or rested upon any part of the body of the shooter or another person. This includes the use of toe pads in the shotgun games. Violation of this rule may result in a warning, disqualification from a round, or disqualification from a match.

- For Small Bore Rifle, Air Rifle, BB Gun, and Air Pistol: One coach or spotter must accompany the Junior-age shooter to the firing line. A coach/spotter may accompany an Intermediate-age shooter to the firing line. Senior shooters may not have a coach/spotter on the firing line with them. The primary responsibility of the coach/spotter will be to assure that safety rules are always observed. The spotter or coach may assist the shooter within the guidelines listed below:
- a. JUNIOR - May verbally and physically assist the shooters between relays and during the sight-in period, including load and/or cock of the gun (must always keep muzzle pointing downrange).

- All shooters and coaches should remember that their photographs may be taken or an individual be asked to interview for the media. Remember that you represent all of 4-H Shooting Sports - Make it a positive image.
7. **Disabilities/Special Needs** - In the event that any participant is physically incapable of complying with the general

rules or specified discipline rules, the event staff will make every reasonable effort to accommodate that individual, allowing them to compete.

Any accommodation made must not jeopardize range safety. **Specific arrangements must be made and approved IN ADVANCE, prior to pre-registration, with the State Coordinator.** The Chief Range Officer must also be notified prior to relay on the day of the state shoot.

8. **Scoring** for all air and small Bore events will be done by individuals recruited and selected by the Range Officers. Individual scores will be tabulated at the completion of each event. When possible, scores will be posted as targets are scored and tabulated. Please leave scoring personnel alone so scores can be posted as soon as possible. After targets are scored, youth shooters may review under supervision of the scorer.

9. **Appeals/challenges**

Scoring - Competitors only (not adults) may challenge their score in an event. Score keepers will not listen to an adult, only the shooter. The first challenge must be done **within 30 minutes of the announcement or final posting of scores**. If not satisfied after the ruling on the challenge, the shooter must immediately ask to appeal. That appeal will be handled by the Chief Range Officer and/or Chief Scorer. No scoring challenges are allowed after targets leave the official scoring area unless at the specified request of the range official or judge.

Other grievances should first be addressed to the line officer or range officer – by the shooter NOT by an adult. The Chief Range officer will make a determination on the grievance. A final appeal of a decision or ruling by a Chief Range Officer must be directed to the match director within 30 minutes of the ruling and must be accompanied by a \$50 fee. If the appeal is upheld and the decision reversed, the \$50 will be returned. If not, the \$50 stays with Missouri 4-H Shooting Sports.

10. **Spectator Interference:** Disruption or interference by parents, coaches or other individuals will not be permitted; this includes parents hovering over the scorers. Sanctions ranging from a warning to ejection from the grounds or disqualification of an entire team will be imposed for interference with the operation of the match or disruption of the events on a firing line or field. The “Little League Syndrome” will not be tolerated in 4-H Shooting Sports. Every effort will be made to keep these events fair, child-centered and positive.
11. **Coach Removal:** 4-H reserves the right to remove any coach from the range or firing line in the event that his or her behavior is deemed detrimental or distracting to their own shooter or others. Coaches should remain positive and supportive being careful not to disrupt other shooters. In the event that a coach is removed from the firing line, another coach may substitute for him/her at the discretion of the range officer.
12. **Alcohol/Tobacco Policy:** No alcoholic beverages nor tobacco of any kind may be consumed on the grounds during this event. Violation of this policy is grounds for ejection from the premises.
13. **Language:** 4-H events are family events; language used by spectators, parents, coaches, or youth should always be appropriate for the family and youth setting. Foul language, cursing, rude/crude remarks are not acceptable and will not be tolerated. Class Definitions:

Halter classes are judged on the conformation of the horse.

Exhibitor shows the horse at the walk and jog by leading on a straight line and then posing the horse in a square position with front feet even under the shoulders and back feet even under the hips.

Judges are looking for the most ideal conformation for the age, sex and breed of the particular horse.

Showmanship classes are judged on the exhibitor and how they handle the horse while leading at the walk & jog and performing pivots (turns on the haunches) at various degrees of difficulty. Judges are looking for a seamless team of horse and exhibitor that works with minimal effort and is always in sync and step together. The judges also look at the presentation of healthy animals with grooming and cleanliness placing higher. Horses are shown in a clean nylon or leather halter and if a shank with a chain is used, proper attachment is required. Clean, well cared for tack will place equally as well as silver embellished tack.

Pleasure classes are judged on the horse and the way they travel at the various gaits being considered. Judges are looking for smooth riding, consistent speed and a calm, quiet and willing attitude. Slow and easy performances will place higher but not at the expense of the way of the horse travelling at his most comfortable pace within the gait.

Horsemanship classes are judged on the exhibitor and how they handle their horse while being ridden and performing a specific pattern of the judges choosing. Judges are looking for a rider that knows how to cue their horse to get a specific maneuver performed with minimal effort. Higher placings will be awarded to those horse and rider teams that perform together with attention to exact transitions and willing attitude.

Barrel race - Is a timed event done in a cloverleaf pattern around 3 barrels. Breaking pattern will result in disqualification. Knocking over a barrel adds 5 seconds to the time.

Flag race - Is a timed event using 2 barrels. The first barrel is set up with a bucket of sand and a flag. Member must pick up and carry the flag to the second barrel and toss it in. If you miss the flag at the first barrel, you can circle around to pick it up. If you miss the toss at the second barrel, it will result in a disqualification.

Keyhole race - Is a timed event in which a keyhole shape will be drawn on the ground with chalk or flour. Object is to get the horse in and out of the keyhole with the fastest time without stepping on or over the white line. That will result in a disqualification.

Egg & Spoon - Members will be handed a plastic spoon and an egg. They will then carry the egg in the spoon in one hand (without touching the egg) while guiding the horse with the other and work through the various gaits and calls from the announcer. Last person holding their egg wins.

Costume class is just for fun and open to whatever your imagination can invent! Of course, be sure that all components fit your horse and that nothing will cover his eyes or trap his legs and cause him to panic. Coordinate your own costume with your horse and again, make sure that your feet are safely in appropriate attire for leading a horse and that whatever you are using as the lead for your horse is safely and securely attached to his head. Be sure to try everything on at home ahead of time! Have fun!

Chicken, duck, goose, and so on may NOT be entered in more than one class (exceptions noted). Each exhibitor can show up to two animals per breed per single sex/age class.
